### Pedagogy

The institute believes that self-learning is the best means of learning, especially at the post-graduation level, and accordingly, faculty should act as facilitators more than teachers. Teaching is heavily oriented toward case studies, presentations and assignments. A variety of seminars are organized by faculty and students during the academic sessions.

## Testimonials

**Sanjay Chouhan**  
MBA Placed in Deloitte.

I'm grateful to the college management, faculties and everyone who always supported me in my journey. They always backed the students to bring the best out of them. Their motivation and guidance led my way to success. It's amazing to be part of Medi-Caps University.

**Animesh Puranik**  
MBA Placed in Deloitte.

"Medi-Caps University has given me a great platform to explore all my skills. The guidance provided by our faculty members was really helpful for us to grow as a professional which helped us all for the great placement opportunities and helped us dream big. Thank you Medi-Caps for shaping us as industry ready professional.

**Monil Agrawal**
